

LUNA · DINING

LUNA DRESUAR

DIN-14

A floating walnut console anchored by a solid travertine block, paired with a softly rounded mirror.

Console

Walnut veneer top on a slim walnut leg; solid travertine block; champagne metal base plate

Mirror

Rounded-square mirror in a bronze metal frame, with a walnut accent bar

CARE

Dust with a soft dry cloth. Seal and wipe travertine promptly - it marks from acids and standing water. Avoid direct sunlight and heat.
